Rahmah Educational and Innovation Foundation

Research and Innovation Grant Application Form

Grants for Palestinian scholars, educators and technologists carrying out research or innovation projects in Palestine, in engineering, computer science, public health, education or the applied sciences. Proposals are assessed on quality, the applicant's qualifications, feasibility and potential impact (publications, patents, technologies).

How to submit: fill in this form on a computer (or print it and write clearly), save it as a PDF, and email it with the documents listed in Section E to **applications@rahmahedu.org**. PDF files only, under 10 MB in total per email (send a second email if needed). Subject line: **Research grant application – your full name**.

A. Applicant

Full name (as on your ID)

Title / position

Institution or organization

Department

Highest degree and field

Address (city, governorate)

Phone (with country code; WhatsApp if available)

Email

B. Project

Project title

Field:

- ☐ Engineering
- ☐ Computer science
- ☐ Public health
- ☐ Applied sciences
- ☐ Education

Other:

Summary of the project (up to 250 words)

Objectives

Methods and work plan

Expected outputs:

☐ Peer-reviewed publication ☐ Patent application ☐ Prototype or technology

Other:

Start date | End date | Duration (months)

Team members (names, roles, institutions)

Where will the work be carried out?

C. Budget

Total amount requested (US$) | Other funding for this project (sources and amounts)

Breakdown of the amount requested (US$):

Personnel (research assistants, stipends)	
Equipment and software	
Materials and consumables	
Travel within Palestine	
Publication or patent fees	
Other (explain in the summary)	
Total	

D. Declarations

Are you, or any team member, related to a director, officer, selection committee member or major donor of the Foundation? (Relatives are not eligible.)

☐ No ☐ Yes

If yes, explain:

- [ ] I confirm that the information in this application and its attachments is true and complete.
- [ ] I understand that, if funded, I or my institution will sign a grant agreement, use the funds only for the approved project, submit progress reports and a final report, and return any unused or misused funds.
- [ ] I agree that research results will be published openly, and that any patent or other intellectual property from the project will be made available to the public on reasonable, non-exclusive terms, as set out in the grant agreement.
- [ ] I certify that neither I, my team members, nor my institution appear on any U.S. government sanctions or terrorism list (including OFAC's SDN list), or are owned or controlled by, or acting for, any such person or group, and that no part of the grant will be paid to, or used to benefit, any such person or group.
- [ ] I understand that grants are paid only by bank transfer to an account in my name or my institution's name, and that the Foundation may suspend or end the grant and recover funds if any certification in this application is untrue.
- [ ] I agree that the Foundation may verify my identity and institution, screen me and my team against U.S. sanctions lists, keep this application and its screening records as US law requires, and transfer and store my information in the United States.

Signature (type your full name)	Date

E. Documents to attach (PDF)

- [ ] CV (up to 4 pages)
- [ ] Letter of support from your institution, if applicable
- [ ] List of publications or prior work (optional)
- [ ] Copy of your ID card or passport
- [ ] Detailed budget, if the table above is not enough

Send everything in one email to **applications@rahmahedu.org**. We confirm receipt by email. Applications sent before a call for applications opens are kept on file and reviewed when the call opens.
